

NEASE HIGH SCHOOL ATHLETIC USAGE FEE

Due to rising costs of managing our athletic department and continually more restricted support from the district level, we implemented the recommended Athletic Usage Fee. With more budget issues on the horizon, this fee is very important. Our budget must pay for every expense associated with our many athletic programs outside of coaches' supplements and booster-supported items.

Your athletic usage fee will go toward:

- Transportation
- Equipment (new and repair)
- Officials
- Security
- Ambulance Services
- Gym/Field Maintenance
- Medical Supplies

ONE SPORT ATHLETE = \$50

TWO SPORT ATHLETE = \$30 (in addition to the previous sport)

THREE SPORT ATHLETE = \$20 (in addition to the previous sports)

Important Notes:

If the student-athlete's family belongs to the Golden Panther Booster Club the athletic usage fee will be waived.

These fees must be received by the athletic department before the student athlete can participate in his/her first interscholastic contest.

Your understanding and support of this new usage fee is greatly appreciated. Your reasonable financial commitment will make an enormous difference in keeping Nease's Athletic program strong
